Reference: October Quarterly Report (6/29/00-9/30/00)

Dear Mr. Horton:

After reviewing our FEC report we filed on October 14th, a few corrections need to be noted. They are as follows:

- Due to software complications, our year to date totals on the summary pages included both 1999 and 2000 data. Also, our report specified receipts for both the primary and general cycles for each contributor. In this amendment, we corrected these inaccuracies in compliance with FEC rules.
- After the filing of the October Quarterly Report, our campaign received 2 in-kind contributions, totaling \$1,143.65 (Secure America's Majority PAC: \$1,000 & Friends of Sam Johnson: \$143.65). These contributions are also contained in this amendment.

We received your letter dated October 10th, regarding questions raised about our July Quarterly Report. We corrected that report and made the same corrections to our October Quarterly Report. Please post all of our amendments as soon as possible.

Sincerely,

Paige Perdue
Assistant Treasurer
Chambliss for Congress
